

- Players below are under suspension, so they are ineligible until they have served and documented their completed game suspension or served the calendar period for which they've been suspended.
- Leagues and/or teams who fail to enforce these suspensions are subject to further additional sanctions.
- Passes may only be retrieved from the State or League Office once all documentation has been received and upon service of said suspension.
- Legible copies of the line-up sheets, signed by the referee, with the player's name omitted, and open spots on the line up must be presented to document that the suspension has been served.
